Stay includes a minimum of 1 hour play time in feline play room per day.

**Feline Basic Condo ..... \$18.00 per night**  
**-second cat in condo ..... \$12.00 per night**  
Only two condos are large enough to house two cats. The basic condos are located in our feline hospital ward.

## *Play Times*

**Canine and Feline Play Times ..... \$ 5.00 each**  
**-second pet play time done at same time ..... \$ 2.50 each**

This fee is for play times not already included in your pet's boarding stay. For dogs the play time includes a minimum of 15 minutes of individual attention, either indoors or in our outside play yard. The play time can include playing with toys, brushing, or just holding your pet and petting her depending on your pet's preference. Pets of the same family can have their playtime together.

For cats, the playtime includes a 1 hour session in the feline play room that has a floor-to-ceiling climbing tree with multiple perches. There are a variety of toys available as well. We will also gladly do some one-on-one play with your cat in the feline boarding room hallway.

## *Spa Baths*

Spa Baths include nail trim, ear cleaning, expressing of anal glands if needed, Aloe & Oatmeal Shampoo Bath, drying, brushing, and bandana. These are generally performed on the same day your pet checks out of our Inn. Should you need to pick up your pet early in the morning we will bathe him/her the day before check out.

**Spa Bath Small Dog (<25 lbs) ..... \$ 25.00**

**Spa Bath Medium Dog (26-50 lbs) ..... \$ 27.00**

**Spa Bath Large Dog (51-100 lbs) ..... \$ 29.00**

**Spa Bath Giant Dog (>100lbs) ..... \$ 32.00**

**Spa Bath Cats ..... \$ 29.00**

Please note that not all cats tolerate bathing. If your cat experiences excessive anxiety during bathing, we will not proceed. If you would like, you may give consent to administration of a mild sedative for your cat if needed for grooming.

**Cat Sanitary Trim ..... \$ 15.00**

This involves shaving the hair around the cat's rear end to prevent soiling. It is generally only needed in long-hair and significantly overweight cats that cannot groom themselves well.
